Gentlemen:

A short time ago I received an invitation from your society inviting me to become a member of same. I have misplaced the application blank and letter, but I herewith make application for associate membership and authorize your secretary to sign any application blank for me that is necessary.

I inclose herewith check for \$15.00 to cover membership fee and also as a subscription to your "King Albert and Queen Elizabeth" commemorative medal in silver. In acknowledging this letter it would be of interest to me to know how many of your members have subscribed for either the bronze or the silver medal of this issue.

I might add in conclusion that I have been a member of the American Numismatic Association for a number of years.

Respectfully yours,

Frank A. Balaban

American Numismatic Society,
Broadway at 156th Street,
New York, N.Y.

Gentlemen:

I am in receipt of your letter of August 16th calling my attention to the fact that my dues as member of the American Numismatic Society for the year 1919 have not been received.

I will say that I have remitted to you five dollars in payment for one year's dues to the Society and expected according to the terms of membership as advertised in the Numismatist included a subscription to the American Journal of Numismatics.

I will say that I have paid these dues, but have not as yet received a copy of the American Journal and would like to know how this journal looks before I renew my subscription for another year.

The only benefit so far that I have received from the American Numismatic Society since joining has been the acknowledgement of my subscription fee for five dollars, since when I do not remember that I have received any communication whatever.

Respectfully yours,

J. A. Balaram

Dear Sir:-

Referring to your letter of September 8th I find upon looking up the matter that through some error the last issue of the Journal was not sent you, as you wrote. I am having a copy forwarded today, and I trust that you will find it of sufficient interest to cause you to desire to continue your membership in the Society. I regret exceedingly that the oversight occurred and trust you will pardon it.

Very respectfully yours,

Secretary.

June 8th, 1921.

Mr. Frank A. Baldwin,
505 Sixth Street,
Grand Rapids, Mich.

My dear Mr Baldwin:-

At this season of the year, we go over our membership list. In doing this, we find that your dues for the years 1920 and 1921, have not been paid. No doubt this is an oversight on your part, or it may be that the several letters sent to you have been miscarried. We enclose a bill in this letter which we trust will receive your attention at an early date.

In reference to the American Journal of Numismatics, part III, of volume #53 has not yet been published. This will account for you not receiving same. Since the first of this year, we have decided to publish, what is known, as "Numismatic Notes and Monographs" These booklets will appear monthly. We are sending you under separate cover, the first number. Since then, five more have been published. Our members have expressed their appreciation of these monographs, by very cordial criticisms. We hope that the number that is sent to you, will prove of interest. The other five are, "Octobols of Histiaea" by Edward T. Newell. "Alexander Hoards" by Edward T. Newell, "The Mexican Revolutionary Coinage 1913-1916" by

Howland Wood. " The Jenny Lind Medals and Tokens " by Leonidas Westervelt. " Proceedings of the American Numismatic Society" List of Officers and Members 1921.

If for any reason you have lost interest in the American Numismatic Society, or the subject in general, we would greatly appreciate a line from you.

Trusting for an early and favorable reply to this letter, I remain,

Yours very truly,

Curator.

Dear Mr. Baldwin:-

We have not received your dues for 1920 and 1921. This is probably an oversight on your part, but if such is not the case and you wish your name dropped from our list of members at the next meeting of our Council, will you kindly let me have word to that effect.

On receipt of your cheque all of the Numismatic Notes and Monographs which have been published (nine numbers) will be sent you.

Very truly yours,

Treasurer.

Dear Sir:-

membership in our organization.

Very truly yours,

Secretary.
